PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 17, 2013

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING OF STOCKHOLDERS

Why am I receiving these materials?

The Board of Directors of Lexaria Corp. (“we”, “us” or “our”) is soliciting proxies for use at the Annual Meeting of Stockholders to be held at Suite 400, 570 Granville Street, Vancouver, BC, Canada, at 10:00 a.m., local time, on **Wednesday, April 17, 2013** or at any adjournment of the Annual Meeting (the “**Meeting**”). These materials were first sent or given to our stockholders on or about **March 27, 2013**.

What is included in these materials?

These materials include:

- the notice of Annual Meeting of Stockholders;
- this proxy statement for the Annual Meeting of Stockholders;
- the proxy card; and
- our Annual Report on Form 10-K for the year ended October 31, 2012, as filed with the Securities and Exchange Commission on January 28, 2013.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE MEETING TO BE HELD ON APRIL 17, 2013

The above materials are also available at www.lexariaenergy.com.

The Annual Report on Form 10-K accompanies this proxy statement, but does not constitute a part of the proxy soliciting material.

What items will be voted at the Meeting?

Our stockholders will vote:

1. to elect Bal Bhullar, David DeMartini, Nicholas Baxter, Dustin Elford and Chris Bunka as Directors to serve our company for the ensuing year and until their successors are elected;
2. to ratify MNP LLP our independent registered public accounting firm for the fiscal year ending October 31, 2013 and to allow Directors to set the remuneration; and
3. to transact such other business as may properly come before the Meeting or any adjournment of postponement thereof.

What do I need to do now?

We urge you to carefully read and consider the information contained in this proxy statement. We request that you cast your vote on each of the proposals described in this proxy statement. You are invited to attend the Meeting, but you do not need to attend the Meeting in person to vote your shares. Even if you do not plan to attend the Meeting, please vote by proxy by following instructions provided in the proxy card.

Who can vote at the Meeting?

Our Board of Directors has fixed the close of business on **March 12, 2013** as the record date (the "**Record Date**") for the determination of the stockholders entitled to notice of, and to vote at, the Meeting or any adjournment. If you were a stockholder of record on the Record Date, you are entitled to vote at the Meeting.

As of the Record Date, 16,431,452 shares of our common stock were issued and outstanding and no other voting securities were issued and outstanding. Therefore, a total of 16,431,452 votes are entitled to be cast at the Meeting.

How many votes do I have?

On each proposal to be voted upon, you have one vote for each share of our common stock that you owned on the Record Date. There is no cumulative voting.

How can you Vote?

Shares of common stock cannot be voted at our Annual Meeting unless the holder of record is present in person or is represented by proxy. A stockholder has the right to attend our Annual Meeting at the time and place set forth in the Notice of Annual Meeting and to vote their securities directly at the meeting. In the alternative, a stockholder may appoint a person to represent such stockholder at our Annual Meeting by completing the enclosed Form of Proxy, which authorizes a person other than the holder of record to vote on behalf of the stockholder, and returning it to our transfer agent, Olympia Trust Company 1003, 750 West Pender Street Vancouver, BC V6C 2T8. All stockholders are urged to complete, sign, date and promptly return the proxy by mail in the enclosed postage-paid envelope, or by fax. If you do not wish to vote in person or if you will not be attending the Meeting, you may vote by proxy by mail, by telephone or via the Internet by following instructions provided in the proxy card.

Valid proxies will be voted at our Annual Meeting and at any postponements or adjournments thereof as you direct in the proxy, provided that they are received by our transfer agent at least 24 hours prior to the scheduled time of the meeting, or any adjournment thereof, or deposited with the Chair of the meeting on the day of the meeting or any adjournment thereof prior to the time of voting.

The shares of common stock represented by the proxy will be voted, or withheld from voting, as directed in the proxy. If no direction is given and the proxy is validly executed, the proxy will be voted FOR the election of the nominees for our Board of Directors, the approval, ratification, and for the appointment of MNP LLP as our company's auditors for the 2013 fiscal year and to allow Directors to set the remuneration, as set forth in this proxy statement. If any other matters properly come before our annual meeting, the persons authorized under the proxies will vote upon such other matters in accordance with their best judgment, pursuant to the discretionary authority conferred by the proxy.

ADVICE TO BENEFICIAL HOLDERS OF SHARES OF COMMON STOCK

THE INFORMATION SET FORTH IN THIS SECTION IS OF SIGNIFICANT IMPORTANCE TO MANY STOCKHOLDERS OF OUR COMPANY, AS A SUBSTANTIAL NUMBER OF STOCKHOLDERS DO NOT HOLD SHARES IN THEIR OWN NAME.

Stockholders who do not hold their shares in their own name (referred to in this Proxy Statement as "beneficial stockholders") should note that only proxies deposited by stockholders whose names appear on the records of our company as the registered holders of shares of common stock can be recognized and acted upon at our annual meeting. If shares of common stock are listed in an account statement provided to a stockholder by a broker, then in almost all cases those shares of common stock will not be registered in the stockholder's name on the records of our company. Such shares of common stock will more likely be registered under the names of the stockholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee and custodian for many Canadian brokerage firms).

Beneficial stockholders should ensure that instructions respecting the voting of their shares of common stock are communicated to the appropriate person, as without specific instructions, brokers/nominees are prohibited from voting shares for their clients.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial stockholders in advance of stockholders' meetings, unless the beneficial stockholders have waived the right to receive meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial stockholders in order to ensure that their shares of common stock are voted at our annual meeting. The Form of Proxy supplied to a beneficial stockholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered stockholders by our company. However, its purpose is limited to instructing the registered stockholder (the broker or agent of the broker) how to vote on behalf of the beneficial stockholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") (formerly, ADP Investor Communication Services in the United States and Independent Investor Communications Company in Canada). Broadridge typically applies a special sticker to proxy forms, mails those forms to the beneficial stockholders and the beneficial stockholders return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at our annual meeting. **A beneficial stockholder receiving a Broadridge proxy cannot use that proxy to vote shares of common stock directly at our Annual Meeting - the proxy must be returned to Broadridge well in advance of our Annual Meeting in order to have the shares of common stock voted.**

Although a beneficial stockholder may not be recognized directly at our Annual Meeting for the purposes of voting shares of common stock registered in the name of his broker (or agent of the broker), a beneficial stockholder may attend at our Annual Meeting as proxyholder for the registered stockholder and vote the shares of common stock in that capacity. Beneficial stockholders who wish to attend at our Annual Meeting and indirectly vote their shares of common stock as proxyholder for the registered stockholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of our annual meeting.

Alternatively, a beneficial stockholder may request in writing that his or her broker send to the beneficial stockholder a legal proxy which would enable the beneficial stockholder to attend at our Annual Meeting and vote his or her shares of common stock.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

Quorum

A quorum of stockholders is necessary to take action at our annual meeting. The holders of a majority of the shares entitled to vote as at the Record Date, present in person or by proxy, shall constitute a quorum for the transaction of business at our annual meeting. However, if a quorum is not present, then the holders of a majority of the shares of common stock of our company who are present at the Meeting, in person or by proxy, may adjourn such meeting from time to time until holders of a majority of the shares of the capital stock shall attend. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting. Broker non-votes occur when a nominee holding shares of common stock for a beneficial owner of those shares of common stock has not received voting instructions from the beneficial owner with respect to a particular matter and such nominee does not possess or choose to exercise discretionary authority with respect thereto. Broker non-votes and abstentions will be included in the determination of the number of shares of common stock present at our Annual Meeting for quorum purposes but will not be counted as votes cast on any matter presented at our annual meeting.

YOUR VOTE IS IMPORTANT. ACCORDINGLY, YOU ARE ASKED TO MARK, DATE, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY WHETHER OR NOT YOU PLAN TO ATTEND OUR ANNUAL MEETING. IF YOU PLAN TO ATTEND OUR ANNUAL MEETING TO VOTE IN PERSON AND YOUR SHARES ARE REGISTERED WITH OUR TRANSFER AGENT IN THE NAME OF A BROKER OR BANK, YOU MUST SECURE A PROXY FROM THE BROKER OR BANK ASSIGNING VOTING RIGHTS TO YOU FOR YOUR SHARES OF COMMON STOCK.

Dissenting Stockholder Rights

Dissenting stockholders have no appraisal rights under Nevada law or under our Articles of Incorporation or bylaws in connection with the matters to be voted on at the Meeting.

How do I vote my shares?

If you are a stockholder of record, you may vote in person at the Meeting or by proxy.

- To vote in person, come to the Meeting, and we will give you a ballot when you arrive.
- If you do not wish to vote in person or if you will not be attending the Meeting, you may vote by proxy by mail, by telephone or via the Internet by following instructions provided in the proxy card.

If you hold your shares in “street name” and:

- you wish to vote in person at the Meeting, you must obtain a valid proxy from your broker, bank, or other nominee that holds your shares giving you the right to vote the shares at the Meeting. Please follow the instructions from your broker, bank or other nominee, or contact your broker, bank or other nominee to request a proxy card.
- you do not wish to vote in person or you will not be attend the Meeting, you must vote your shares in the manner prescribed by your broker, bank or other nominee. Your broker, bank or other nominee should have enclosed or otherwise provided a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares.

What is the difference between a stockholder of record and a “street name” holder?

If your shares are registered directly in your name with our transfer agent, Olympia Trust, then you are a stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, or other nominee, then the broker, bank, or other nominee is the stockholder of record with respect to those shares. However, you still are the beneficial owner of those shares, and your shares are said to be held in “street name.” Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, or other nominee how to vote their shares. Street name holders are also invited to attend the Meeting.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that you hold shares registered in more than one name or in different accounts. To ensure that all of your shares are voted, please vote by proxy by following instructions provided in each proxy card. If some of your shares are held in “street name,” you should have received voting instruction with these materials from your broker, bank or other nominee. Please follow the voting instruction provided to ensure that your vote is counted.

What vote is required for the election of Directors or for the approval of a proposal?

The vote of a majority in interest of our stockholders present in person or represented by proxy and entitled to vote at the Meeting will be sufficient to elect Directors or to approve a proposal.

For the election of Directors, the nominees who receive more “For” votes than the combined votes of “Against” votes and votes that are abstained will be elected as Directors. There is no cumulative voting in the election of Directors.

How are votes counted?

For the election of Directors, you may vote “For”, “Against”, or “Abstain” for each nominee for Director. Votes that are abstained will have the same effect as “Against” votes. Broker non-votes will have no effect on the outcome of the vote on the election of Directors.

For the election of Directors, the nominees who receive more “For” votes than the combined votes of “Against” votes and votes that are abstained will be elected as Directors. There is no cumulative voting in the election of Directors.

For the following items to be ratified and/or approved:

- the election of Bal Bhullar, David DeMartini, Nicholas Baxter, Dustin Elford and Chris Bunka as Directors; and
- the continued appointment of MNP LLP our independent registered public accounting firm for the fiscal year ending October 31, 2013 and to allow Directors to set the remuneration,

you may vote “For”, “Against”, or “Abstain” for the proposals. Votes that are abstained will have the same effect as “Against” votes. Broker non-votes will have no effect on the outcome of the vote on these proposals.

A “broker non-vote” occurs when a broker, bank, or other nominee holding shares for a beneficial owner in street name does not vote on a particular proposal because it does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner of those shares, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions.

How does the Board of Directors recommend that I vote?

Our Board of Directors recommends that you vote your shares “For”:

- the election of Directors; and
- the continued appointment of MNP LLP our independent registered public accounting firm for the fiscal year ending October 31, 2013 and to allow Directors to set the remuneration.

Can I change my vote after submitting my proxy?

Yes. You may revoke your proxy and change your vote at any time before the final vote at the Meeting. If you are a stockholder of record, you may vote again on a later date via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the Meeting will be counted), by signing and returning a new proxy card with a later date, or by attending the Meeting and voting in person. **Your attendance at the Meeting will not automatically revoke your proxy unless you vote again at the Meeting or specifically request in writing that your prior proxy be revoked.** You may also request that your prior proxy be revoked by delivering to our company, at the address on the Notice of Meeting, Attention: President, a written notice of revocation prior to the Meeting being held at the offices of Macdonald Tuskey, our corporate counsel.

If you hold your shares in the street name, you will need to follow the voting instruction provided by your broker, bank or other nominee regarding how to revoke or change your vote.

How can I attend the Meeting?

You may call us at 604-602-1675 if you want to obtain directions to be able to attend the Meeting and vote in person.

You may be asked to present valid picture identification, such as a driver's license or passport, before being admitted to the Meeting. If you hold your shares in street name, you will also need proof of ownership to be admitted to the Meeting. A recent brokerage statement or letter from your broker, bank or other nominee is an example of proof of ownership.

Who pays for the cost of proxy preparation and solicitation?

We pay for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokers, banks or other nominees for forwarding proxy materials to street name holders.

We are soliciting proxies primarily by mail. In addition, our Directors, officers and regular employees may solicit proxies by telephone, facsimile, mail, other means of communication or personally. These individuals will receive no additional compensation for such services. We will ask brokers, banks, and other nominees to forward the proxy materials to their principals and to obtain their authority to execute proxies and voting instructions. We will reimburse them for their reasonable charges and expenses, however we will not be paying for delivery to OBOs.

FORWARD-LOOKING STATEMENTS

This proxy statement contains forward-looking statements. These statements relate to future events. In some cases, you can identify forward-looking statements by terminology such as "may", "should", "expect", "plan", "anticipate", "believe", "estimate", "predict", "potential" or "continue" or the negative of these terms or other comparable terminology. These statements are only predictions and involve known and unknown risks, uncertainties and other factors that may cause our company's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements.

Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States and Canada, we do not intend to update any of the forward-looking statements to conform these statements to actual results.

Voting Securities and Principal Holders Thereof

We are authorized to issue 200,000,000 shares of common stock with a par value of \$0.001. As of the Record Date a total of 16,431,452 shares of common stock were issued and outstanding. Each share of common stock carries the right to one vote at the Meeting.

Only registered stockholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the best of our knowledge, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, shares of common stock carrying more than 10% of the voting rights attached to the outstanding Common Shares of our company other than set forth in the section "Security Ownership of Certain Beneficial Owners and Management" below.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth, as of the Record Date, certain information with respect to the beneficial ownership of our shares of common stock by each stockholder known by us to be the beneficial owner of more than 5% of our common shares, as well as by each of our current Directors and executive officers as a group. Each person has sole voting and investment power with respect to the shares of common stock, except as otherwise indicated. Beneficial ownership consists of a direct interest in the shares of common stock, except as otherwise indicated.

- 1) Under Rule 13d-3, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of shares; and (ii) investment power, which includes the power to dispose or direct the disposition of shares. Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of common stock actually outstanding on the Record Date.
- 2) Percentage of ownership is based on 16,431,452 shares of common stock issued and outstanding as of the Record Date. Except as otherwise indicated, we believe that the beneficial owners of the common stock listed above, based on information furnished by such owners, have sole investment and voting power with respect to such shares.
- 3) Includes 3,219,336 shares held in the name of C.A.B. Financial Services and 1,488,561 shares held directly by Chris Bunka. Includes 700,000 options which are exercisable at \$0.20 and \$0.35 within 60 days of March 12, 2013.

- 5) Includes 100,000 options which are exercisable at \$0.20 and \$0.35 within 60 days of March 12, 2013.
- 6) Includes 175,000 options which are exercisable at \$0.20 within 60 days of March 12, 2013.
- 7) Includes 150,000 options which are exercisable at \$0.35 within 60 days of March 12, 2013.
- 8) Includes 150,000 options which are exercisable at \$0.35 within 60 days of March 12, 2013.

Changes in Control

We are unaware of any contract or other arrangement the operation of which may at a subsequent date result in a change in control of our company.

Involvement in Certain Legal Proceedings

On October 20, 2011 Lexaria Corp., (the “Company”) was served with an amended complaint filed on behalf of John M. Deakle in the Circuit Court of Hinds County, Mississippi. The complaint included the Company as one of the defendants and alleges breach of contract as well as mismanagement of the drilling activity and improper billing by Griffin and Griffin, the operator on the Company’s Belmont Lake oil and gas properties. Deakle specifically alleges that the Company pressured Griffin and Griffin to undertake the drilling of unnecessary wells for their own benefit. The complaint requests injunctions to enjoin the operator from drilling additional wells on the Belmont Lake property, declaratory judgments stating, apart from other things, that Deakle’s rights under the joint operating agreement were breached, and punitive damages.

The Company believed that this was a frivolous suit, devoid of any merit as it related to the Company’s activities, and defended its position. Additionally, the Company considered filing a countersuit against Deakle for damages caused by Deakle’s refusal to comply with the terms of the joint operating agreement, the unwarranted interruption of drilling activity on the property as a result of Deakle’s action, as well as costs associated with defending the lawsuit.

The lawsuit has since been settled and there are no material adverse effects upon the Company as a result of the settlement.

We know of no other material proceedings in which any of our Directors, officers, affiliates or any stockholder of more than 5% of any class of our voting securities, or any associate thereof is a party adverse to our company.

To the best of our knowledge, none of our directors or executive officers has, during the past ten years:

1. been convicted in a criminal proceeding or been subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);
2. had any bankruptcy petition filed by or against the business or property of the person, or of any partnership, corporation or business association of which he was a general partner or executive officer, either at the time of the bankruptcy filing or within two years prior to that time;
3. been subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction or federal or state authority, permanently or temporarily enjoining, barring, suspending or otherwise limiting, his involvement in any type of business, securities, futures, commodities, investment, banking, savings and loan, or insurance activities, or to be associated with persons engaged in any such activity;
4. been found by a court of competent jurisdiction in a civil action or by the SEC or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated;

5. been the subject of, or a party to, any federal or state judicial or administrative order, judgment, decree, or finding, not subsequently reversed, suspended or vacated (not including any settlement of a civil proceeding among private litigants), relating to an alleged violation of any federal or state securities or commodities law or regulation, any law or regulation respecting financial institutions or insurance companies including, but not limited to, a temporary or permanent injunction, order of disgorgement or restitution, civil money penalty or temporary or permanent cease-and-desist order, or removal or prohibition order, or any law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or
6. been the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act (15 U.S.C. 78c(a)(26))), any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act (7 U.S.C. 1(a)(29))), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

Corporate Governance

Public Availability of Corporate Governance Documents

Our key corporate governance document is our Code of Ethics which is:

- available in print to any stockholder who requests it from our President; and
- filed on EDGAR as an exhibit to our Annual Report on Form 10-KSB filed on January 29, 2008.

Code of Ethics

We adopted a Code of Ethics applicable to our senior financial officers and certain other finance executives, which is a "code of ethics" as defined by applicable rules of the SEC. Our Code of Ethics is attached as an exhibit to our Annual Report on Form 10-KSB filed on January 29, 2008. If we make any amendments to our Code of Ethics other than technical, administrative, or other non-substantive amendments, or grant any waivers, including implicit waivers, from a provision of our Code of Ethics to our Chief Executive Officer, chief financial officer, or certain other finance executives, we will disclose the nature of the amendment or waiver, its effective date and to whom it applies in a Current Report on Form 8-K filed with the SEC.

Meetings

Our Board of Directors held no formal meetings during the year ended October 31, 2012. All proceedings of the Board of Directors were conducted by resolutions consented to in writing by all the Directors and filed with the minutes of the proceedings of the Directors. Such resolutions consented to in writing by the Directors entitled to vote on that resolution at a meeting of the Directors are, according to the Nevada Revised Statutes and our Bylaws, as valid and effective as if they had been passed at a meeting of the Directors duly called and held.

It is our policy to invite Directors to attend the Meeting of stockholders. Three Directors are expected to attend the Meeting.

Committees of the Board of Directors

We currently do not have a nominating or compensation committee or committees performing similar functions. There has not been any defined policy or procedure requirements for stockholders to submit recommendations or nomination for Directors.

Audit Committee and Audit Committee Financial Expert

Currently our audit committee consists of our entire Board of Directors.

Our audit committee operates pursuant to a written charter adopted by our Board of Directors, a copy of which is attached as Schedule A to this Proxy Statement.

We believe that the members of our Board of Directors are collectively capable of analyzing and evaluating our financial statements and understanding internal controls and procedures for financial reporting. We believe that retaining an independent Director who would qualify as an “audit committee financial expert” would be overly costly and burdensome and is not warranted in our circumstances given the early stages of our development and the fact that we have not generated any material revenues to date. In addition, we currently do not have nominating, compensation or audit committees or committees performing similar functions nor do we have a written nominating, compensation or audit committee charter. Our Board of Directors does not believe that it is necessary to have such committees because it believes the functions of such committees can be adequately performed by our Board of Directors.

Director Independence

We currently act with five Directors, consisting of Christopher Bunka, Bal Bhullar, David DeMartini, Nicholas Baxter and Dustin Elford.

Stockholder Communications with Our Board of Directors

Because of our company’s small size, we do not have a formal procedure for stockholder communication with our Board of Directors. In general, members of our Board of Directors and executive officers are accessible by telephone or mail. Any matter intended for our Board of Directors, or for any individual member or members of our Board of Directors, should be directed to our President with a request to forward the communication to the intended recipient.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and Directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission and to provide us with copies of those filings. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during fiscal year ended October 31, 2012, all filing requirements applicable to our executive officers, Directors and persons who own more than 10% of our common stock were complied with, with the exception of the following:

Proposal 2 Ratification of the Continued Appointment of the Independent Registered Public Accounting Firm

Our Board of Directors is asking our stockholders to ratify the continued appointment of MNP LLP, as our independent registered public accounting firm for the fiscal year ending October 31, 2013 at a remuneration to be fixed by the Board.

Stockholder ratification of the continued appointment of MNP LLP is not required under the Nevada corporate law, our bylaws or otherwise. However, our Board of Directors is submitting the continued appointment of MNP LLP as our independent registered public accounting firm to our stockholders for ratification as a matter of corporate practice. If our stockholders fail to ratify the continued appointment, our Board of Directors will reconsider whether or not to retain the firm. Even if the appointment is ratified, our Board of Directors in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if our Board of Directors determines that such a change would be in the best interest of our company and our stockholders.

Representatives of MNP LLP are not expected to be present at the Meeting. However, we will provide contact information for MNP LLP to any stockholders who would like to contact the firm with questions.

Unless otherwise directed, the proxy holders will vote the proxies received by them for the ratification of the continued appointment of MNP LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2013.

At the Meeting the stockholders will be asked to approve the following resolution:

RESOLVED THAT the continued appointment of MNP LLP as our independent registered public accounting firm is ratified, approved and confirmed and that the remuneration be fixed by the Board.

Our Board of Directors recommends that you vote FOR the ratification of the continued appointment of MNP LLP as our independent registered public accounting firm as our auditors for the fiscal year ending October 31, 2013 at a remuneration to be fixed by the Board.

Tax Fees

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and local tax compliance and consultation in connection with various transactions and acquisitions. For the fiscal years ended October 31, 2012 and October 31, 2011, we did not use MNP LLP or Chang Lee LLP for non-audit professional services or preparation of corporate tax returns. We do not use MNP LLP, for financial information system design and implementation. These services, which include designing or implementing a system that aggregates source data underlying the financial statements or generates information that is significant to our financial statements, are provided internally or by other service providers. We do not engage MNP LLP to provide compliance outsourcing services.

Effective May 6, 2003, the Securities and Exchange Commission adopted rules that require that before our independent auditors are engaged by us to render any auditing or permitted non-audit related service, the engagement be:

- approved by our audit committee (which consists of our entire Board of Directors); or
- entered into pursuant to pre-approval policies and procedures established by the Board of Directors, provided the policies and procedures are detailed as to the particular service, the Board of Directors is informed of each service, and such policies and procedures do not include delegation of the Board of Directors' responsibilities to management.

Our Board of Directors (audit committee) pre-approves all services provided by our independent auditors. All of the above services and fees were reviewed and approved by the Board of Directors either before or after the respective services were rendered.

Our Board of Directors has considered the nature and amount of fees billed by our independent auditors and believes that the provision of services for activities unrelated to the audit is compatible with maintaining our independent auditors' independence.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as set out below, no Director, executive officer, or nominee for election as a Director of the Company and no associate of any of the foregoing persons has any substantial interest, direct or indirect, by security holding or otherwise, in any matter to be acted upon at the Meeting, other than elections to office:

"HOUSEHOLDING" OF PROXY MATERIALS

The Securities and Exchange Commission permits companies and intermediaries such as brokers to satisfy the delivery requirements for proxy statements and Annual Reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement or Annual Report, as applicable, addressed to those stockholders. This process, which is commonly referred to as "householding", potentially provides extra conveniences for stockholders and cost savings for companies.

Although we do not intend to household for our stockholders of record, some brokers household our proxy materials and Annual Reports, delivering a single copy of proxy statement or Annual Report to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of proxy statement or Annual Report, or if you are receiving multiple copies of either document and wish to receive only one, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement at their address from their brokers and would like to request "householding" of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in our proxy statement and for consideration at our next meeting of stockholders. To be eligible for inclusion in our 2014 proxy statement, your proposal must be received by us no later than 120 days before March 6, 2014 and must otherwise comply with Rule 14a-8 under the Exchange Act. Further, if you would like to nominate a Director or bring any other business before the stockholders at the 2013 Meeting, you must comply with the procedures contained in the bylaws and you must notify us in writing and such notice must be delivered to or received by the Secretary no later than 120 days before March 6, 2014. While the Board will consider stockholder proposals, we reserve the right to omit from our proxy statement relating to our 2014 meeting stockholder proposals that it is not required to include under the Exchange Act, including Rule 14a-8 of the Exchange Act.

All stockholder proposals, notices and requests should be made in writing and sent via registered, certified or express mail, to our company, at the address on the first page of this Proxy Statement to the attention of the President.

With respect to business to be brought before the Meeting, we have received no notices from our stockholders that we were required to include in this proxy statement.
