Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (§230.405 of this chapter) or Rule 12b-2 of the Securities Exchange Act of 1934 (§240.12b -2 of this chapter).

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 3.02 Unregistered Sales of Equity Securities

Lexaria has received US\$118,913 from the exercise of warrants and a compensation option certificate previously granted. The compensation option certificate was exercised at the price of US\$0.42. The stock warrants were exercised at prices of US\$0.14, US\$0.273, and US\$0.60, for a total of 415,187 common shares being issued. All exercises are by third parties who are neither officers nor directors of the Company. Following issuance of these common shares, Lexaria will have 69,435,198 common shares issued and outstanding. No commissions or placement fees have been paid related to the funds received from these warrants exercised. Proceeds will be used for general corporate purposes.

The securities referred to herein will not be or have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

Additionally, Lexaria is attending and delivering a presentation at the upcoming 10th annual LD Micro Main Event on December 5-7 located in Los Angeles and filing its annual 10K with Securities and Exchange Commission.

Item 7.01 Regulation FD Disclosure

A copy of the news release announcing that Lexaria has received US\$118,913 from a warrant exercise previously granted is filed as exhibit 99.1 to this current report and is hereby incorporated by reference.

Item 9.01 Financial Statements and Exhibits

[99.1](#) [Press Release dated November 27, 2017](#)

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Lexaria Announces Upcoming Investment Event and Warrant Exercise.

Kelowna, British Columbia – November 27, 2017 – Lexaria Bioscience Corp. (OTCQB: LXP) (CSE: LXX) (the “Company” or “Lexaria”) announces it is attending and delivering a presentation at the upcoming 10th annual LD Micro Main Event on December 5-7 located in Los Angeles. More information on the event can be found [here](#).

Separately, Lexaria is filing its annual Form 10K including financial statements that will be available today at the Securities and Exchange Commission’s [website](#).

Finally, Lexaria announces it has received US\$118,913 from the exercise of warrants and a compensation option certificate previously granted. The compensation option certificate was exercised at the price of US\$0.42. The stock warrants were exercised at prices of US\$0.14, US\$0.273, and US\$0.60, for a total of 415,187 common shares being issued. All exercises are by third parties who are neither officers nor directors of the Company.

Following issuance of these common shares, Lexaria will have 69,435,198 common shares issued and outstanding. No commissions or placement fees have been paid related to the funds received from these warrants exercised. Proceeds will be used for general corporate purposes.

The securities referred to herein will not be or have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

About Lexaria

Lexaria Bioscience Corp. has developed and out-licenses its disruptive patented technology that promotes healthier ingestion methods, lower overall dosing and higher effectiveness of lipophilic active molecules. Lexaria has multiple patents pending in over 40 countries around the world and was granted its first patents in the USA and in Australia related to edible forms of cannabinoids. Lexaria’s technology provides increases in intestinal absorption rates; more rapid delivery to the bloodstream; and important taste-masking benefits, for orally administered bioactive molecules including cannabinoids, vitamins, non-steroidal anti-inflammatory drugs (NSAIDs), nicotine and other molecules.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements. Statements which are not historical facts are forward-looking statements. The Company makes forward-looking public statements concerning its expected future financial position, results of operations, cash flows, financing plans, business strategy, products and services, competitive positions, growth opportunities, plans and objectives of management for future operations, including statements that include words such as "anticipate," "if," "believe," "plan," "estimate," "expect," "intend," "may," "could," "should," "will," and other similar expressions are forward-looking statements, including but not limited to: that any additional stock warrants or stock options will be exercised. Such forward-looking statements are estimates reflecting the Company's best judgment based upon current information and involve a number of risks and uncertainties, and there can be no assurance that other factors will not affect the accuracy of such forward-looking statements. Factors which could cause actual results to differ materially from those estimated by the Company include, but are not limited to, government regulation, managing and maintaining growth, the effect of adverse publicity, litigation, competition, the patent application and approval process and other factors which may be identified from time to time in the Company's public announcements and filings. There is no assurance that existing capital is sufficient for the Company's needs or that it will be able to raise additional capital. There is no assurance that Lexaria will successfully complete any other contemplated or existing technology license agreements; or that results from any studies will be favorable or in any way support future business activities of any kind. There is no assurance that any planned corporate activity, business venture, or initiative will be pursued, or if pursued, will be successful. There is no assurance that any of Lexaria's postulated uses, benefits, or advantages for the patented and patent-pending technology will in fact be realized in any manner or in any part. No statement herein has been evaluated by the Food and Drug Administration (FDA). Lexaria Energy Foods, Ambarii, and ViPovaTM products are not intended to diagnose, treat, cure or prevent any disease.

The CSE has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
