Item 7.01 Regulation FD Disclosure.

On October 20, 2011 Lexaria Corp., (the "Company") was served with an amended complaint filed on behalf of John M. Deakle in the Circuit Court of Hinds County, Mississippi. The complaint includes the Company as one of the defendants and alleges breach of contract as well as mismanagement of the drilling activity and improper billing by Griffin and Griffin, the operator on the Company's Belmont Lake oil and gas properties. Deakle specifically alleges that the Company pressured Griffin and Griffin to undertake the drilling of unnecessary wells for their own benefit. The complaint requests injunctions to enjoin the operator from drilling additional wells on the Belmont Lake property, declaratory judgments stating, apart from other things, that Deakle's rights under the joint operating agreement were breached, and punitive damages.

The Company believes that this is a frivolous suit, devoid of any merit as it relates to the Company's activities, and will defend its position aggressively. Additionally, the Company is considering filing a countersuit against Deakle for damages caused by Deakle's refusal to comply with the terms of the joint operating agreement, the unwarranted interruption of drilling activity on the property as a result of Deakle's action, as well as costs associated with defending the lawsuit.
