**Item 3.02 Unregistered Sales of Equity Securities.**

On June 29, 2020 the Board of Directors Lexaria Bioscience Corp. (the “Company”) approved the issuance of 347,222 common shares (“Shares”) to IRTH Communications, LLC (“IRTH”) bearing a deemed aggregate value of \$100,000 or \$0.288 per Share. The Shares were issued to IRTH as partial compensation for investor relations services to be provided to the Company. The Shares were not registered pursuant to any registration statement or prospectus filed by the Company and accordingly, are restricted securities pursuant to US and Canadian securities laws.

**Item 7.01 Regulation FD Disclosure.**

On June 29, 2020, the Company, entered into an investor relations agreement (the “IR Agreement”) with IRTH, a Nevada limited liability company located in the State of California as announced via news release on June 29, 2020.

IRTH has agreed to provide its investor relations services (the “Services”) to the Company for an initial term of one year which shall be automatically renewed unless terminated 30 days in advance of the expiration date of the initial term. As compensation for the Services, the Company has agreed to issue IRTH an aggregate 347,222 Shares having a deemed value of \$0.288 per Share pursuant to the regulatory exemptions from prospectus and registration requirements as prescribed by US and Canadian securities laws. The Shares shall be restricted securities pursuant to both US and Canadian securities laws and will bear the required restrictive legends.

In connection with the issuance of the Shares, the Company was required to seek, and has now received, written consent and approval from those persons who were party to the Purchase Agreement, as filed with the Company’s Form 8-K filed on May 6, 2020, and who had purchased at least 50.1% of the Shares issued pursuant to such financing.

In addition, the Company has also agreed to pay IRTH a cash fee of \$7,500 per month for the Services and may, at its sole discretion, engage IRTH to provide additional services at additional costs.

**About Lexaria**

Lexaria Bioscience Corp. is a global innovator in drug delivery platforms. Its patented DehydraTECH™ drug delivery technology changes the way Active Pharmaceutical Ingredients enter the bloodstream, promoting healthier ingestion methods, lower overall dosing, and higher effectiveness for lipophilic active molecules. DehydraTECH increases bio-absorption, reduces time of onset, and masks unwanted tastes for orally administered bioactive molecules, including cannabinoids, vitamins, non-steroidal anti-inflammatory drugs (NSAIDs), nicotine, and other molecules. Lexaria has licensed DehydraTECH to multiple companies in the cannabis industry for use in cannabinoid beverages, edibles and oral products and to a world-leading tobacco producer for the development of smokeless, oral-based nicotine products. Lexaria operates a licensed in-house research laboratory and holds a robust intellectual property portfolio with 16 patents granted and over 60 patents pending worldwide.
